CERTIFICATE PROGRAMS

Federal Tuition Assistance pays up to **21** SHs towards academic undergraduate or graduate certificates. **Schools need to ensure their Academic Certificate programs have been loaded into the Academic Institution portal.**

Soldiers are limited to using Federal Tuition Assistance towards ONE undergraduate or graduate certificate during their career, not to exceed 21 SHs.

CERTIFICATE PROGRAMS

In many cases, Soldiers will be better off to pursue a degree since FTA will pay up to 130 SHs towards an undergraduate degree and 39 SHs towards a graduate degree versus only 21 SHs towards an undergraduate or graduate certificate.

For example, in some vocational programs at our community colleges, Soldiers complete the certificate portion during their first year and finish the degree portion their second year i.e. welding. Soldier's Education Goal is for a DEGREE.

Courses Offered by Academic Institutions (AIs)

Beginning 1 October 2024, Soldiers will only be able to request Tuition Assistance for courses that the Academic Institution (AI) has loaded into the AI Portal. Soldiers will be unable to manually add courses if the courses are not in the system.

POSTING OF GRADES IN THE AI PORTAL

Schools and vendors are required to submit grades through the Academic Institution (AI) Portal within 30 days from course end date.

If grades are not posted, the Soldier's ArmyIgnitED account goes on HOLD and the Soldier may be subject to recoupment.

COURSE WITHDRAWALS

A **WITHDRAWAL** **is not the same as a** **DROPPED** course.

Schools should only enter a grade of "W" if the student is going to be charged for the course.

If a grade of **"W"** is entered, the Soldier's Army**I**gnitED account will be placed on **HOLD** and the Soldier will be subject to **RECOUPMENT**.

If a Soldier **DROPPED** **the course during the add/drop period and will not be charged, please remove the course from the invoice.**

DROPPED/DELETED COURSES

Soldiers can delete the TAR in ArmyIgnitED if the decision is made **PRIOR** to the start date.

After the start date, the Soldier should contact the AI immediately. **The AI can invoice prior to 19% if the invoice is zero dollars.**

When the AI invoices a course for zero dollars, the course is deleted by the system when the invoice is processed by Finance.

INVOICES

Schools can invoice after a Soldier has completed 19 percent of their courses.

Questions regarding invoices must be directed to ArmyIgnitED School Support.

Counselors do not have visibility of the AI portal or school invoices.

REJECTED INVOICES

When a Soldier submits a TA Approval form, please verify the course dates are correct.

If a Soldier inputs and submits a TA Approval form with the **WRONG** course dates, schools **cannot** invoice for the course.

If the **END DATE** of the course is incorrect, an education counselor **can correct** the TA Request in <u>certain</u> cases.

If the **BEGIN DATE** of the course is incorrect, the TA Request **cannot be corrected** and FTA **will not be paid** for the course.
